The Hayes is characterized by its historic charm and distinctive features that reflect its long history. The apartment represents a lifestyle choice with an award winning golf course and gym on the door step. Historical records indicate the property dates from The Tudor Period and its age and historical significance contribute to its allure as a landmark in Warwickshire. The Hayes underwent various renovations and additions over the centuries, resulting in a blend of architectural styles. After the farmland was sold to become The Warwickshire Golf Club the house was converted into the 13 apartments we know today in early 2000. You enter the building into a vestibule with security access into the main reception hallway and inner hallway with the oak staircase beyond. There is a lift to each floor. The two bedroom apartment is located on the first floor. You enter into the L-shaped hallway that has built in wardrobes and doors that radiate off to all rooms. The sitting room has a deep bay window with bespoke curtain track and fireplace. The kitchen is fitted with contrasting shaker style units and has integrated dishwasher and oven and hob. The master suite has a picture window and a door into the en-suite bathroom with an attractive white suite and complementary tiling to floor and splashbacks. Across the hallway is the guest bedroom and family bathroom. The Hayes is located on the fringe of Leek Wootton and offers excellent communications to Coventry, Leamington Spa, Warwick and Kenilworth, as well as the wider area with the A45, A46, M40 and M42. The property is on the Indigo bus route providing access to all local facilities and amenities. Situated in attractive grounds with parking and enjoying fabulous views towards The Warwickshire Golf Course and also benefitting being adjacent to The Warwickshire Leisure & Health Club. Viewing is highly recommended to appreciate everything this fine apartment, and particularly its setting has to offer.
